

Driving Directions to Seward Park in Seattle

Coming from the North:

Take I-5 South to I-90 and take the first exit at Rainier Ave. S. Follow Rainier Ave Southbound approximately 2 miles. Take a left on Orcas St. at the light.

Coming from the South:

Take I-5 to exit 158. Take Martin Luther King Way north. Turn right on Orcas St.

From Orcas Street, turn right onto Lake Washington Blvd, and then quickly turn left into Seward Park. There is a large brick building by the waterfront--we DO NOT meet there! Take the only road up the hill about 1/4 mile. On your right will be a parking lot, with a grass field, bathrooms and a picnic shelter. A staff member will be there to meet you.
